

How to Join Us

At DCMA, we employ more than 10,000 civilian and military acquisition professionals who help the military readiness of the United States and its allies. Our employees are our strength. Without them, our mission's success would not be possible. We are actively and aggressively recruiting, acquiring, and maintaining a best-in-class workforce at DCMA.

DCMA

DEFENSE CONTRACT MANAGEMENT AGENCY

About DCMA

The Defense Contract Management Agency (DCMA) is the Department of Defense (DoD) combat support agency responsible for ensuring the integrity of contractual processes and provides a broad range of contract-procurement management services for America's warfighters. The agency's team of professionals ensures federal acquisition programs, supplies, and services are delivered on time, at projected cost, and meet all performance requirements. DCMA directly contributes to the military readiness of the United States and its allies and helps preserve the nation's freedom.

DCMA's Vision

The Department of Defense's leading experts in Quality Assurance; Cost, Schedule, and Supply Chain Predictability; and Contract Administration; enabling our partners to achieve contract objectives.

DCMA's Mission

We provide Contract Administration Services to the Department of Defense Acquisition Enterprise and its partners to ensure delivery of quality products and services to the warfighter; on time and on cost.

DCMA's Core Values

Integrity, Service, Excellence

Our Core Processes

DCMA ensures the integrity of the contractual process and provides a broad range of acquisition management services for America's warfighters.

Before the contract is awarded, DCMA provides advice and services to help construct effective solicitations, identify potential risks, select the most capable contractors, and write contracts to meet the needs of our customers in DoD, Federal and allied government agencies.

After contract award, DCMA monitors contractors' performance and management systems to ensure cost, product performance, and delivery schedules are in compliance with the terms and conditions of the contracts.

DCMA's core processes include:

- Quality Assurance
- Delivery and Schedule Management
- Cost and Pricing
- Earned Value Management
- Engineering Support
- Software Acquisition Management
- Property and Plant Clearance
- Contracting
- Contract Safety
- Transportation
- Aircraft Operations

ACQUISITION INSIGHT GLOBAL ENGAGEMENT

Our Presence

DCMA is currently headquartered in Alexandria, Va. However, due to the Base Realignment and Closure 2005 Act (BRAC 2005), the agency headquarters will relocate to Fort Lee, Va., no later than September 2011.

DCMA is organized into three geographic regional commands (Western, Central, and Eastern) and two specialized divisions (International, Special Programs) overseeing 48 Contract Management Offices (CMOs) responsible for work performed at more than 900 locations worldwide.

Our Customers

DCMA's professional team serves as information brokers for military buying agencies throughout the acquisition life cycle. Our staff interacts on a daily basis with customers to ensure the services provided meet customers' needs.
